

Next Generation NCLEX® NEWS

Test Validity

The Next Generation NCLEX® News is a quarterly publication that provides the latest information about the research being done to assess potential changes to the NCLEX Examinations. In this issue, you will find information related to validity, the extent to which a test measures what it claims to measure.

Research that addresses validity is an important part of the NCLEX process.

1. [NCSBN Strategic Practice Analysis](#)

The NCSBN Strategic Practice Analysis (SPA) is a comprehensive review of the current nursing practice environment and the impact of the nursing shortage on the profession. The SPA is a key document for the nursing profession and is used to inform policy and practice decisions. The SPA is a key document for the nursing profession and is used to inform policy and practice decisions.
